To the Shareholders,

Dear Sir or Madam,

**PROPOSALS FOR
GENERAL MANDATES TO ISSUE AND BUY BACK SHARES,
RE-ELECTION OF DIRECTORS,
AND
NOTICE OF ANNUAL GENERAL MEETING**

INTRODUCTION

The purpose of this circular is to provide you with information relating to the resolutions to be proposed at the AGM, among other things, (i) the granting of general mandates to the Directors to issue Shares and buy back Shares; and (ii) the re-election of Directors.

GENERAL MANDATES TO ISSUE SHARES AND BUY BACK SHARES

Pursuant to the written resolutions of all the Shareholders passed on 15 November 2016 the Directors were granted general mandates to issue new Shares and to buy back existing Shares. Unless otherwise renewed, such general mandates will lapse at the conclusion of the AGM.

LETTER FROM THE BOARD OF DIRECTORS

At the AGM, separate ordinary resolutions will be proposed relating to the following general mandates:

- (i) authorising the Directors to allot, issue and otherwise deal with additional Shares (not exceeding 20% of the aggregate number of Shares in issue as at the date of passing the resolution);
- (ii) authorising the Directors to buy-back Shares not exceeding 10% of the aggregate number of Shares in issue as at the date of passing the resolution; and
- (iii) authorising the addition to the mandate to issue new Shares (referred to in (i) above) of those Shares bought-back by the Company pursuant to the buy-back mandate (referred to in (ii) above).

As at the Latest Practicable Date, the issued Shares comprised 1,037,500,000 Shares. Assuming that there is no variation to the issued Shares during the period from the Latest Practicable Date to the date of passing of the resolution approving the mandate to issue new Shares (referred to in (i) above), the maximum number of Shares which may be issued pursuant to the mandate would be 207,500,000 Shares, not taking into account any additional new Shares which may be issued pursuant to the mandate referred to in (iii) above. Such number of Shares referred to above shall, where applicable, be adjusted in the event that the Shares in issue as at the date of passing the resolutions are, at any time thereafter, converted into a larger or smaller number of Shares.

In accordance with the Listing Rules, the Company is required to send to the Shareholders an explanatory statement containing information reasonably necessary to enable the Shareholders to make an informed decision on whether to vote for or against the proposed resolution to approve the buy-back by the Company of its Shares. This explanatory statement is set out in Appendix I to this circular.

The general mandates to issue new Shares and to buy back Shares, if granted at the AGM, will remain in effect until the earliest of (i) the conclusion of the next annual general meeting of the Company; (ii) the expiration of the period within which the next annual general meeting of the Company is required by law or the Articles of Association to be held; and (iii) the date upon which such authority is revoked or varied by an ordinary resolution of the Shareholders in a general meeting of the Company.

RESPONSIBILITY STATEMENT

This circular, for which the Directors collectively and individually accept full responsibility, includes particulars given in compliance with the Listing Rules for the purpose of giving information with regard to the Company. The Directors, having made all reasonable enquiries, confirm that to the best of their knowledge and belief the information contained in this circular is accurate and complete in all material respects and not misleading or deceptive, and there are no other matters the omission of which would make any statement herein or this circular misleading.

RECOMMENDATION

The Directors consider that the grant of the general mandates to issue and buy-back Shares and the re-election of Directors are in the best interests of the Company and the Shareholders as a whole. Accordingly, the Directors recommend that all Shareholders should vote in favour of all resolutions approving such matters.

Yours faithfully,
For and on behalf of the Board
Progressive Path Group Holdings Limited
Wu Wing Hang
Chairman and Executive Director

The following is the explanatory statement required to be sent to shareholders under the Listing Rules in connection with the general mandate for buy-backs of shares of the Company to be proposed at the AGM.

1. STOCK EXCHANGE RULES FOR SHARES BUY-BACK

The Listing Rules permit companies with a primary listing on the Stock Exchange to buy back their shares on the Stock Exchange subject to certain restrictions.

The Listing Rules provide that all proposed share buy-backs by a company with a primary listing on the Stock Exchange must be approved in advance by an ordinary resolution, either by way of a general mandate or by specific approval of a particular transaction. Such authority may only continue in force during the period from the passing of the resolution until the earlier of: (i) the conclusion of the next annual general meeting of the company; (ii) the expiry of the period within which the next annual general meeting of the company is required by law to be held; and (iii) the passing of an ordinary resolution by shareholders in general meeting of the company revoking or varying such mandate.

2. SHARE CAPITAL

As at the Latest Practicable Date, the total number of Shares in issue was 1,037,500,000 Shares.

Subject to the passing of the relevant ordinary resolutions granting to the Director a general mandate to buy back Shares up to an aggregate number of Shares not exceeding 10% of the number of issued Shares at the date of the passing of the relevant resolution (the “**Buy-back Mandate**”) and on the basis that no further Shares are issued or bought back following the Latest Practicable Date and up to the date of the AGM, the Directors would be authorised to buy back Shares up to a limit of 103,750,000 Shares. The Shares bought back by the Company shall, subject to applicable law, be automatically cancelled upon such buy-back.

3. REASONS FOR BUY-BACK

The Directors believe that it is in the best interests of the Company and its Shareholders to have a general authority from Shareholders to enable the Directors to buy back Shares on the market. Such buy-backs may, depending on market conditions and funding arrangements at the time, lead to an enhancement of the net value of the Company and its assets and/or its earnings per Share and will only be made when the Directors believe that such buy-backs will benefit the Company and its Shareholders.

4. FUNDING AND EFFECT OF BUY-BACKS

The Company is empowered by the Articles of Association to buy back its Shares. In buying back the Shares, the Company may only apply funds legally available for such purpose in accordance with the Listing Rules, the Memorandum of Association, the Articles of Association, the Companies Law and all other applicable laws, rules and regulations, as the case may be.

Under the Listing Rules, a listed company may not buy back its own shares listed on the Stock Exchange for a consideration other than cash or for settlement otherwise than in accordance with the trading rules of the Stock Exchange as amended from time to time.

In accordance with the Companies Law, the Memorandum of Association and the Articles of Association, Shares may only be bought back out of the funds of the Company which are legally available for such purpose or out of the proceeds of a fresh issue of Shares made for the purposes of the purchase or, subject to a statutory test of solvency, out of capital. The premium, if any, payable on purchase must be provided for out of the profits of the Company or out of the Company's share premium account before or at the time the Shares are bought back or, subject to the statutory test of solvency, out of capital. Under the Companies Law, the Shares so bought back will be treated as cancelled but the aggregate amount of authorised share capital will not be reduced.

There might be material adverse impact on the working capital or gearing position of the Company as compared with the position disclosed in the audited financial statements contained in the annual report for the year ended 31 March 2017 in the event that the buy-backs were to be carried out in full at any time during the proposed buy-back period. However, the Directors do not propose to exercise the Buy-back Mandate to such extent as would, in the circumstances, have a material adverse effect on the working capital requirements of the Company or the gearing levels which in the opinion of the Directors are from time to time appropriate for the Company.

5. UNDERTAKING OF THE DIRECTORS

The Directors have undertaken to the Stock Exchange to exercise the Buy-back Mandate in accordance with the Listing Rules, the Memorandum of Association, the Articles of Association and the applicable laws of the Cayman Islands.

6. TAKEOVER CODE CONSEQUENCE

If as a result of a share buy-back a shareholder's proportionate interest in the voting rights of the Company increases, such increase will be treated as an acquisition for the purposes of the Takeovers Code. Accordingly, a shareholder or a group of shareholders acting in concert could obtain or consolidate control of the Company and become obliged to make a mandatory offer in accordance with rule 26 of the Takeovers Code.

As at the Latest Practicable Date, to the best knowledge and belief of the Directors, Profit Gold Global Limited (“**Profit Gold**”), the Company’s controlling shareholder (as defined in the Listing Rules), was interested in 750,000,000 Shares, representing 72.29% of the aggregate number of Shares in issue. Profit Gold is wholly and beneficially owned by Wu Wing Hang, the chairman of the Board and an executive Director. Therefore, Mr. Wu is deemed, or taken to be, interested in all the Shares held by Profit Gold for the purposes of the SFO. Based on such interests and assuming that there is no change in the number of the Shares in issue after the Latest Practicable Date, in the event that the Directors exercised in full the power to buy back Shares which is proposed to be granted at the AGM, the percentage shareholding of each of Mr. Wu and Profit Gold would be increased to approximately 80.32% of the aggregate number of Shares in issue, and such increase will not give rise to any obligation to make a mandatory offer under rule 26 of the Takeovers Code.

However, the Directors would not exercise the Buy-back Mandate in whole or in part to the extent as may result in the number of the issued Shares in the public hands falling below the prescribed minimum percentage of 25% as required by the Stock Exchange.

7. SHARE BOUGHT BACK BY THE COMPANY

The Company has not bought back any Shares since the Company’s listing on the Stock Exchange on 8 December 2016 to the Latest Practicable Date (whether on the Stock Exchange or otherwise)

8. DIRECTORS, THEIR CLOSE ASSOCIATES AND CORE CONNECTED PERSON

None of the Directors nor, to the best of their knowledge having made all reasonable enquiries, any of their respective close associates (as defined in the Listing Rules), presently intend to sell any Shares to the Company or its subsidiaries under the Buy-back Mandate in the event that the Buy-back Mandate is approved by Shareholders.

No core connected persons (as defined in the Listing Rules) of the Company have notified the Company that they have any present intention to sell any Shares, or that they have undertaken not to sell any Shares held by them, to the Company in the event that the Buy-back Mandate is approved by Shareholders.

9. SHARE PRICES

The highest and lowest prices at which the Shares have traded on the Stock Exchange during each of the previous months from the listing on the Stock Exchange from 8 December 2016 up to the Latest Practicable Date were as follows:

	Price per Shares	
	Highest <i>HK\$</i>	Lowest <i>HK\$</i>
2016		
December (starting from 8 December 2016)	0.820	0.600
2017		
January	0.620	0.415
February	0.520	0.425
March	0.470	0.415
April	0.445	0.380
May	0.415	0.360
June	0.380	0.280
